

POSITION DESCRIPTION

TITLE –Content Creator

DEPARTMENT - Production

POSITION SUMMARY

The Content Creator reports directly to the associate video designer and actively supports the artistic vision of the Video Designer. The Content Creator ideally works on all 7 shows in The Muny's intense 11 week season. The build hours fluctuate during the week according to the needs of the production, but we strive to achieve our work within a 40 hour work week. Those forty hours sometimes take place over the weekends or into the evening. Our goal is to Adjust the scope of work to fit the available resources.

ENTRY QUALIFICATIONS

- Proficiency in After Effects is a must.
- A high level of understanding Photoshop is required.
- Basic knowledge of Premiere Pro is preferable.
- Knowledge of 3D rendering is not necessary but welcome.
- Previous experience working through a theatrical tech process is a plus.
- Able to meet deadlines, adapt to changing priorities, and demonstrate strong time management skills.
- Acquire an understanding of The Muny's mission, strategies and programming, including a commitment to antiracism in the work and workplace.
- Democratic style of teamwork based on problem solving through conversation and transparency.

EXPECTATIONS

- Must be able to participate in an environment created to work efficiently through the high speed tech processes while reporting to the designer, associate, and video head while also collaborating with the other content creators.
- Ability to thrive in a highly adaptive environment of ever changing ideas.
- Adept at pivoting from one creative solution to another.

WORKING CONDITIONS

The Muny has three LED walls that we use in all of our productions. The biggest wall is upstage center and is 32' wide by 23' tall. The two side walls are on torm 1 and are 23' tall by 11' wide each. The Design Studio utilizes 3 Disguise media servers that are programmed by our in house Department Lead.

The Muny campus is largely outdoors during the summer in the heat. The video design studio is indoors, and kept at a temperature best for the computers. We encourage employees seated at a desk for long periods to regularly stand, stretch, and move around. A high degree of working awareness is a must.

SALARY

This is a full-time seasonal position. The Muny season is generally June, July and August. The 2024 residency dates are June 4 - August 20. Salary starts at \$975 per week, housing and travel are provided in lieu of per diem. Payroll checks are issued weekly and must be direct deposited.

To apply for the position, please email resume and references to tracyu@muny.org no later than February 16, 2024.
