YOUR TICKETS

EXCHANGES/REFUNDS

Up to 24 hours before showtime, you may exchange season tickets for tickets of the same value within the same production, free of charge. If exchanging for tickets to another production, the difference between the season ticket price and the single ticket price is due at the time of the exchange. **Tickets are nonrefundable unless in the form of a rain check.**

In person • Exchanges begin May 13 at the box office.

By phone • Exchanges begin May 13 for mobile season tickets and May 20 for printed tickets. Call (314) 361-1900, press 1, then dial 550. Be prepared with your subscriber account number, the section/seat number for the tickets you are exchanging, and your preferred performance date. This service is available 10 a.m.-5 p.m.

Online • Beginning May 20, requests may be submitted at muny.org/subscriberbenefits. Allow up to three business days for processing.

By mail • Include only the season tickets you wish to exchange, and indicate the preferred date(s) for your new tickets. Mail to: The Muny Box Office, #1 Theatre Drive, St. Louis, MO 63112. Allow enough time for mailing, as your tickets must be received by our box office at least 24 hours prior to the date and time printed on your original ticket.

DONATIONS

Can't make it to a show? Return your tickets to the Muny box office no later than 24 hours before showtime, and we will issue a receipt reflecting the face value for your tax purposes.

LOST TICKETS

If you misplace your tickets, contact our box office. Your original tickets will be voided, and replacement tickets for a future performance can be picked up in person.

Arrive early, grab a bite and find a grassy spot to take in the free festivities. *Find the entertainment schedule at muny.org/visit.*

If you bring a picnic, outside food and drinks and soft-sided coolers must fit underneath your seat. Hard-sided coolers, outside alcohol, aluminum cans and lawn chairs are allowed in preshow areas but may not be brought into the theatre.

IF A SHOW IS DELAYED OR CANCELED ...

The start time may be delayed or the performance may be interrupted due to inclement weather or other reasons. If a performance is canceled before one hour of playing time has elapsed, including scheduled intermissions, your ticket will serve as your rain check. Rain check privileges are extended to ticket holders with a paid admission only. Rain checks may be redeemed for a ticket of the same value for any performance in the same season, or for a refund of the ticket price. If a performance is given after a delayed start or resumes after an interruption, rain checks are not valid and may not be exchanged or refunded. We will make every effort to present the performance and typically will not cancel before 9:30 p.m. A delayed start or the length of an interruption in the performance will be determined by management on a per-case basis.

Notice of delays or cancellations will be made over the theatre public address system and will be posted on The Muny's social media and on muny.org. In the case of a canceled performance, rain checks may be exchanged beginning the following day at the Muny box office for a ticket of the same value for any remaining performance in the same season, subject to availability. Rain checks also may be redeemed for a full refund of the ticket price or donated back to The Muny. A refund will be issued to the purchaser on record with The Muny. A donation receipt reflecting the rain check value will be issued for tax purposes. Rain checks must be redeemed by Aug. 31, 2024, either in person or by mail to the Muny box office. Only actual, legible tickets, in their original form, will be accepted as rain checks.
