SUBSCRIBER GUIDE

Your seat is saved!

Thank you for joining us as a Muny subscriber! As America's oldest and largest outdoor musical theatre — and the recipient of the 2025 Regional Theatre Tony Award — we rely on your support to keep the best of Broadway shining bright in Forest Park. Here's your essential guide to planning a hassle-free, memorable summer at The Muny!

When you receive your mobile or printed tickets, please confirm the quantity, seat location and night for each production, and notify the Muny Box Office of any discrepancies.

CANCELLATION POLICY

The start time may be delayed or the performance may be interrupted due to inclement weather or other reasons. If a performance is canceled before one hour of playing time has elapsed, including scheduled intermissions, your ticket will serve as your rain check. Rain check privileges are extended to ticket holders with a paid admission only. Rain checks may be redeemed for a ticket of the same value for any performance in the same season, or for a refund of the ticket price. If a performance is given after a delayed start or resumes after an interruption, rain checks are not valid and may not be exchanged or refunded. We will make every effort to present the performance and typically will not cancel before 9:30 p.m. A delayed start or the length of an interruption in the performance will be determined by management on a per-case basis.

Notice of delays or cancellations will be made over the theatre public address system and will be posted on social media and at muny.org. In the event of a canceled performance, rain checks may be exchanged beginning the following day at the Muny Box Office for a ticket of the same value for any remaining performance in the same season, subject to availability. Rain checks also may be redeemed for a full refund of the ticket price or donated back to The Muny. A refund will be issued to the purchaser on record with The Muny. A donation receipt reflecting the rain check value will be issued for tax purposes. Rain checks must be redeemed by Aug. 31, 2026, either in person or by mail to the Muny Box Office. Only actual, legible tickets, in their original form, will be accepted as rain checks.

YOUR TICKETS

EXCHANGES AND REFUNDS

Subscribers may exchange tickets up to 24 hours before showtime. Season tickets may be exchanged for tickets of the same value within the same production, free of charge. When exchanging season tickets for tickets to a different production, the difference between the season ticket price and the single-ticket price is due at the time of the exchange. **Tickets are nonrefundable unless in the form of a rain check.**

In person • Starting May 11, tickets may be exchanged at the box office.
By phone • Phone exchanges begin May 11. Call (314) 361-1900, press 1, then dial 5750. Be prepared with your subscriber account number, the section and seat number for each ticket you are exchanging, and the preferred performance date you'd like to exchange for. This service is available 9 a.m.-4 p.m.

Online • Beginning May 11, sign in to your MetroTix/MUNY account to make exchanges.

By mail • Include only the season tickets you wish to exchange, and indicate the preferred date(s) for your new tickets. Mail to: The Muny Box Office, #1 Theatre Drive, St. Louis, MO 63112. We must receive your tickets at least 24 hours prior to the date and time printed on your original ticket.

LOST TICKETS

If you misplace your tickets, contact the Muny Box Office. Your original tickets will be voided, and replacements for a future performance can be picked up in person.

DONATIONS

Can't make it to a show? Return your tickets to the Muny Box Office no later than 24 hours before showtime, and we will issue a receipt reflecting the face value for your tax purposes.
